

Specification Sheet

Description **Fuelchief Blue 400L**

Part No **FCPUTBL400**

Product Features:

Ute style tank made for the storage of AdBlue. Information provided below:

- ✔ **Capacity:** 400L
- ✔ **Draw fluids easily:** long and convenient dispensing hose makes it easier to draw fluids from the tank
- ✔ **External dimensions:** 800 x 1080 x 830mm (w,d,h)
- ✔ **Storage options:** AdBlue
- ✔ **Longevity and durability:** constructed from UV-resistant, AdBlue-suitable polyethylene
- ✔ **Suits a variety of industries:** holding capacity allows for substantial storage, great for agricultural and niche-sized construction companies
- ✔ **Great for Utes:** can be placed securely at the back for immediate use (comes in diesel option too)
- ✔ **Automatic nozzle:** stored under lockable cover
- ✔ **Easy maneuvering:** 4 large lifting eyes which also double as tie-down points
- ✔ **Automatic nozzle:** automatic nozzle for aggressive AdBlue fluids with nozzle lock and stainless-steel tip with the break-away system
- ✔ **Efficient pump:** a 12v pump dedicated to aggressive fluids with the capacity of 36 l/min
- ✔ **Easy access for maintenance and measuring:** top access
- ✔ **Warranty:** 12 months warranty

Optional Extra

- ✔ **Flow meter with calibration:** K24 counter equipped with 4-digit display and 6-digit total counter

Capacity	Width	Height	Length
