

Specification Sheet

Description **Fuelchief Poly 200L Ute Tank**

Part No **FCPUTD200**

Product Features:

Ute style tank made for the storage of diesel fuel only. A practical tank for the storage and transport of diesel with 'Splash Wall' technology which reduces fluid movement during transport, making transport safer.

- ♥ **Capacity:** 200L
- ♥ **Draw fluids easily:** long and convenient dispensing hose makes it easier to draw fluids from the tank
- ♥ **External dimensions:** 800 x 1080 x 580mm (w,d,h)
- ♥ **Storage options:** diesel fuel only
- ♥ **Longevity and durability:** constructed from weather resistant material
- ♥ **Suits a variety of industries:** holding capacity allows for substantial storage across a variety of industries
- ♥ **Great for Utes:** can be placed securely at the back for immediate use. Great for stocking a large reserve of diesel oil
- ♥ **Automatic pistol:** fixed place in tank
- ♥ **Splash wall:** a system reducing fluid movement during transport
- ♥ **Easy maneuvering:** 4 large lifting eyes (*please note, cannot be lifted when full*)
- ♥ **Automatic nozzle:** automatic nozzle (A60) with a 3-step nozzle lock enabling user-free filling
- ♥ **Efficient pump:** a 12 volt pump with 50L/min velocity
- ♥ **Easy access for maintenance and measuring:** top access
- ♥ **Required certified signage:** as indicated by customer/regulator
- ♥ **Warranty:** 12 month warranty

| Ext Dimensions (w,d,h) | Capacity (total) | Width (mm) | Depth (mm) | Height (mm) |
|-------------------------------|------------------|------------|------------|-------------|
| 800 x 1080 x 580mm (w,d,h) | 200L | 800 | 1080 | 580 |
