INSTRUCTIONS

- Emcee gives a toast instructing the room to get into small groups (3–5 people each) and providing the question(s) to answer.
- Some potential questions include:
 - Where were you born?
 - Where do you live now?
 - If you had to pick one cuisine to eat for the rest of your life, what would it be?
 - What organization are you part of?
 - What is your department/role?
 - What is your favorite place to travel?
 - Where did you go to college?
 - What was your major in college?
 - Do you play any instruments?
 - How many languages do you speak?
- End the toast and give the participants some time to find their groups. Type the question(s) in the chat so everyone remembers the topic.
- Allow for 5 minutes of discussion around question.
- Make another toast and have the groups shuffle once, so that everyone is speaking to new people.
- Allow for another 5 minutes of discussion around the same question(s) with the new groups.
- Repeat as many times as you would like. This activity can work for 10 minutes or longer!
