

# Quick Start Guide

It's easy to join your first Preciate meeting or event. Jump in and experience Social Presence® for yourself!

## Getting In

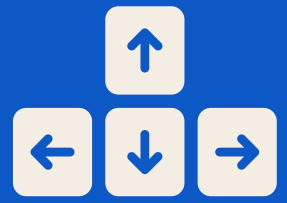

Hop on a computer and go to [app.preciate.com](https://app.preciate.com), or click the link that was shared with you. Be sure the link is opening in Google Chrome, Safari, or Microsoft Edge.

Joining a meeting on the go? Preciate is supported on Android devices. To join from an iPhone, download our [iOS app](#) from the App Store.

## Basics

- Use your mouse or arrow keys to freely move around the room.
- Audio will change volume as you get closer to or further from others.
- Adjust the volume of your own background music.
- Use the mini-map  (top left corner) to navigate.

## Tips & Tricks

- Form groups of 10 people or less for best speaking and listening capability.
- Use updated browsers and computers, if available.
- Zoom in and out to fit more people on your screen.
