Bar Admission Checklist

The Illinois bar admissions process is lengthy and intricate, but we're here to guide you. There are many steps involved and as the date of the exam nears, filing fees increase. Start at least a year (or more, if you can) in advance of the bar exam date. Here's what you need to know and do for Illinois Bar admission:

□ Create NCBE, Bar Admission Accounts | Before Application

My NCBE Number

All law students are required to create an NCBE Account that comes with a unique NCBE Number for identification purposes. You will need this number to be able to take the MPRE (see below) and the MBE (Multistate Bar Exam), which are developed by the NCBE. The MBE is administered on day two of the Uniform Bar Exam.

Most students create an NCBE account when registering for the MPRE. **Register with the NCBE at:** <https://auth.ncbex.org/account/create>

You will then need to create a personal Illinois Bar Admission Registration account. **Go to:** ilbaradmissions.org/displayregister.action

□ Take the MPRE | Multistate Professional Responsibility Exam

We recommend taking the MPRE any time during 2L year or as early in your 3L year as possible. A scaled score of **80** on the MPRE is required for admission to the Illinois bar. The Illinois Board of Admissions to the Bar (IBAB) must receive satisfactory proof that you've achieved a passing MPRE score before you can be recommended for admission to the bar.

The MPRE is a two-hour, 60-question, multiple-choice exam developed by the NCBE and administered in the spring, summer, and fall. When registering for the MPRE, students can select one of two dates offered at a time (see chart below) on a first come, first served basis.

MPRE dates	Registration deadline (fee: \$160)	Scan for more information
August 13 or 14, 2024	June 12, 2024	
November 7 or 8, 2024	September 18, 2024	
March 2025	TBD
