

*Sarasota Bay Club*

**TO:** All SBC Residents and all Family Members  
**FROM:** Gail Chase   
**DATE:** February 21, 2022  
**RE:** COVID-19 Update – 4<sup>th</sup> Vaccine

---

The CDC has approved a 4<sup>th</sup> dose of COVID-19 vaccine for those individuals who are **moderately or severely immunocompromised** and have already completed a 2-dose vaccination and received an additional COVID-19 dose or booster shot within 28 days after their second dose.

**Individuals MUST meet one of the following criteria to be considered moderately or severely immunocompromised. There are NO exceptions to these criteria at this time.**

- Receiving active cancer treatment for tumors or cancers of the blood.
- Received an organ transplant and are taking medicine daily to suppress my immune system.
- Received a stem cell transplant within the last 2 years or are taking medicine to suppress the immune system.
- Moderate or severe primary immunodeficiency (such as DiGeorge syndrome, Wiskott-Aldrich syndrome).
- Advanced or untreated HIV infection.
- Active treatment with high-dose corticosteroids ( $\geq 20$  mg prednisone or equivalent per day) or other drugs that suppress my immune response.

**Those who meet any one of these criteria will have to sign a COVID-19 Attestation of Eligibility and must have had their 3<sup>rd</sup> booster at least three months prior.**

The Pharmacy will be here on **Tuesday, March 1, 2022**, to administer the **Pfizer vaccine** between **10:30 a.m. and 12:30 p.m. in the Whitaker Room.**

If you meet one or more of these criteria and would like to schedule your vaccination, **please see Gail Chase, ext. 336 or Cynthis Deveaux Moona, ext. 529**, to sign the Attestation of Eligibility and complete the appropriate paperwork. The paperwork must be completed by Sunday, February 27<sup>th</sup>.
