RE: COVID-19 /Coronavirus Update #47G Travel Protocols

Happy New Year to you and your family. We are hopeful for a better year in 2021 and good health for everyone. Unfortunately, COVID-19 is still impacting our lives and creating the necessity for continued restrictions.

With family members scheduling more family visits, please have them check with Concierge Services in advance of their travel. The state of Florida is experiencing high positivity rates as evidenced by the map on the reverse side of this memo. This list is updated weekly based on the Florida Department of Health's positivity rate.

We request any family member traveling from a county with a 10% or higher positivity rate to please wear a KN95 mask. These are now readily available on Amazon for purchase and speedy delivery. If for some reason, they are unable to obtain a KN95 mask, we will have some at the Concierge Desk.

As a reminder, the **ONLY** COVID-19 test we accept for entry into our communities is a Polymerase Chain Reaction Test, also known as a PCR test. **Rapid antigen/antibody tests will not be accepted.** Please share this information with your family who are planning to visit from out of state, along with your private employees such as caregivers and housekeepers.

We are grateful for your patience and continued efforts to assist in mitigating this disease. As always, thank you and let's take care of each other.
