RE: COVID-19 /Coronavirus Update #42

It has now been one hundred and eighty one (181) days of COVID testing, quarantine, self-isolation, and countless life changes as we all have adapted to this ever-changing world during the pandemic.

Management is always reviewing the local COVID case numbers and positivity rates. The numbers have been steadily decreasing. We keep science and data at the forefront as we slowly and methodically progress towards lifting restrictions. The best way to keep us all safe is to remain vigilant and make any changes to protocol in phases.

As of the time of this memo, we do not have any Club residents having tested positive or presumptively positive for COVID-19. This is a great tribute to all of you and to the team.

Based on current local and state numbers, we will be phasing in Tableside Dining Service.

Dining – Residents Only/No Guests

The Dining Room will partially reopen for tableside service for lunch and dinner. Lunch and casual dining for the dinner meal will open on Monday, August 31st. We will offer tableside service for Monday through Friday in the Main Dining Room only. The Bay Club Lounge and the Veranda will remain closed for tableside service. You may continue to have breakfast or eat your to go meals in the Bay Club Lounge. Reservations for dinner will be available for residents at 5:00 pm and 6:30 pm. Seating will be limited to 28 residents (no guests) at each seating. Reservations may be made by calling the Dining Podium at extension 320 and must be made by 11 am that day. There will be no standing reservations and no walk ins. There is a limit of three reservations per resident per week to allow access to as many residents as possible. At all meals, temperatures will be taken before you are seated, and we will have hand sanitizer for your use before entry to the dining room. Attire will be *Veranda Casual* for dinner.

All current To Go Orders for Pick Up and Delivery protocols will remain the same.

- **Lunch will open at 11:00 am and close at 1:30 pm.**
- **Dinner: Two Seatings - one at 5 pm and one at 6:30 pm.**
- **You will not be seated without a reservation.**
- **There will be no standing reservations and no walk-ins.**
- **There is a limit of three reservations per resident per week.**

- **No tables larger than 4 residents.**
- **We will not seat anyone together unless requested to do so (up to 4 residents).**

Dining in the main dining room is an option and meal delivery and pick up will continue as is current protocol until we are returned to full operation.

Please remember participation in the reopening of dining services is voluntary. We realize most of us perceive ourselves as a family and tend to function as a unit. If one of us puts ourselves at risk, everyone in our family unit is at risk. It is important we all remain vigilant and practice the protocols that have kept us all safe to this point.

All other protocols remain in place.

As always thank you and let's take care of each other.
