

Intranet in a Box

Deploy an Intelligent and Custom SharePoint Intranet Quickly and Easily

The Problem

Microsoft SharePoint Online's modern communication sites allow you to create intranets for your organization. These sites allow your company to easily share information with employees such as company policies, news, and important dates. However, creating a new intranet, or converting an existing one to SharePoint Online / Office 365, can be a very time consuming & difficult task.

The Solution

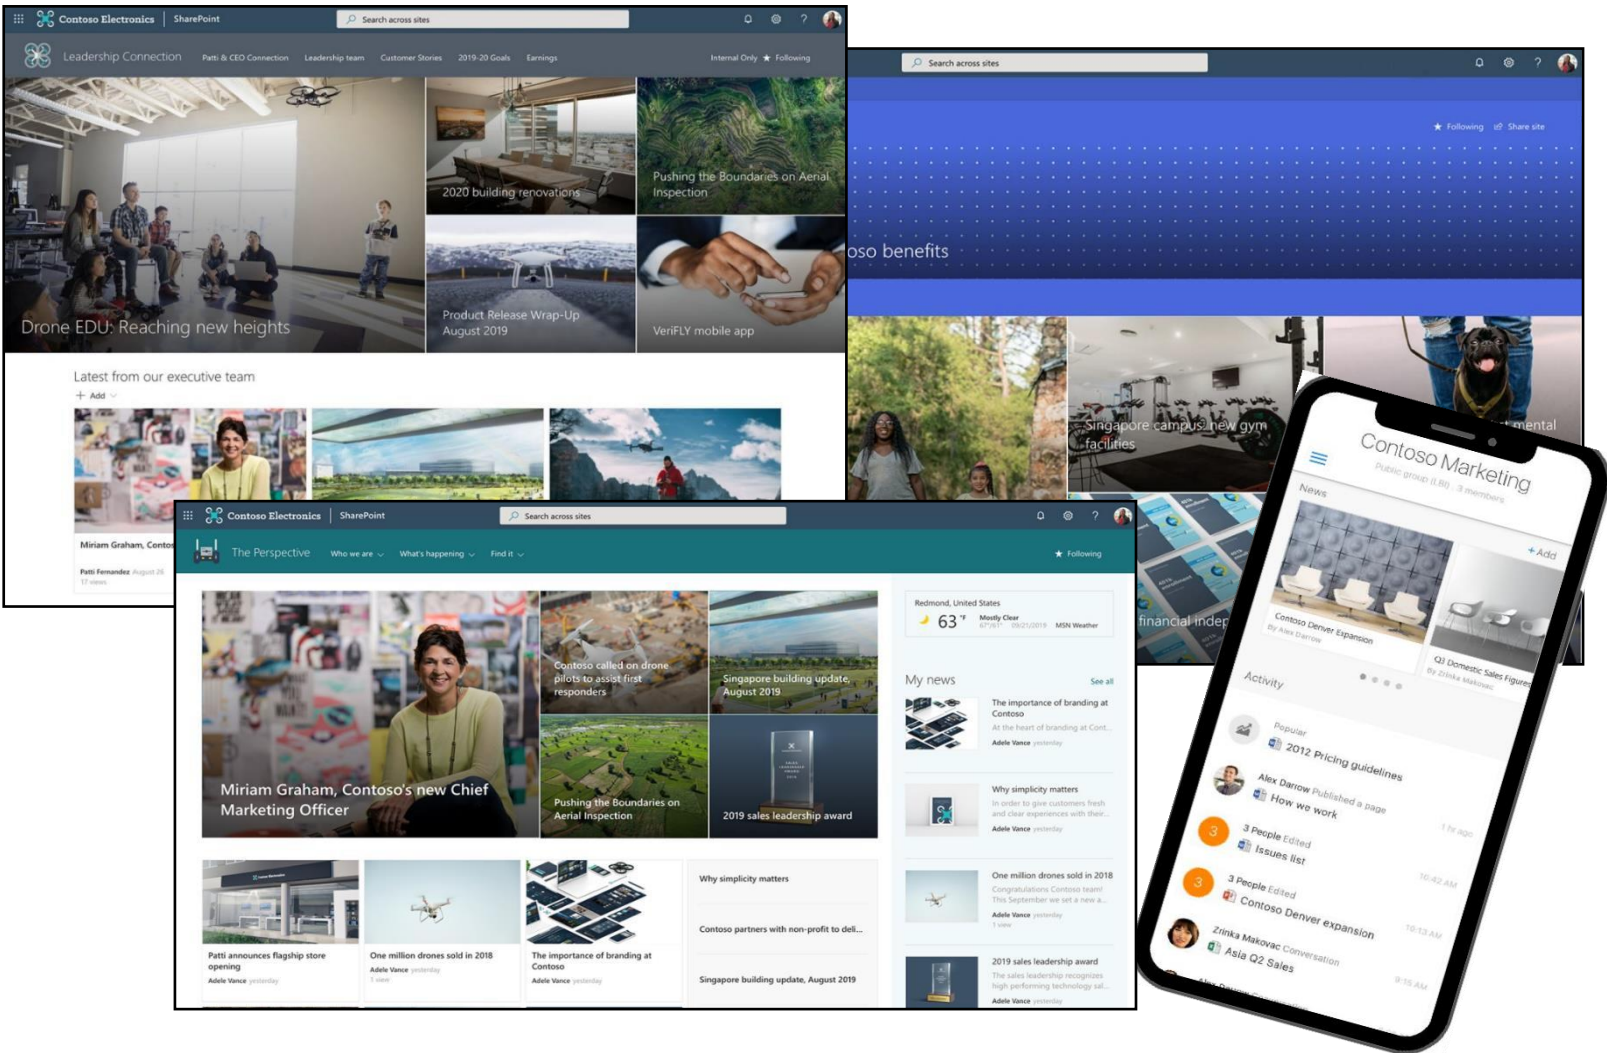

Spyglass' Intranet in a Box offer gives you the ability to design, create, and deploy a sophisticated and detailed intranet site quickly and easily. Spyglass offers three different tiered packages for our Intranet in a Box solution:

	Bronze 	Silver 	Gold 
Cost	\$10,000 → \$\$	\$\$ → \$\$\$	\$\$\$ → \$\$\$\$+
