

Vineyard Labor

Job Description: Vineyard Labor/ Vineyard Internship/ Summer Job Opportunity

Position Summary

This is a temporary position for vineyard labor and tasting room grounds maintenance that will extend until the end of harvest in October/ November. The position primarily consists of manual labor with some opportunities for equipment operation. We are seeking individuals with an agriculture background, experience operating power tools and small machinery, and the capability of working long hours in the heat while maintaining attention to detail, safety, and efficiency.

Responsibilities

- * Perform and assist with routine vineyard management practices such as vine training, suckering, shoot thinning, leaf removal, and harvest.
- * Monitor vineyard for pests, diseases, and other cultural practices associated with viticulture.
- * Assist in the operation of weed eaters, mowers, tractors and pesticide application equipment.
- * Assist with the maintenance and upkeep of the tasting room landscaping and vineyard habitat area
- * Ability to work independently under the direction of the Manager.

Qualifications

- * Ability to work during the summer months and/or week days during the school year.
- * Excellent organizational and communication skills
- * Ability to work various shifts including weekends and early mornings
- * Must have dependable transportation
- * Possess a valid Driver's License

Physical Requirements/Work Environment

- * Work Environment:
 - Works outdoors/indoors
 - Works in warm/cold climates
 - Works on wet surfaces
 - Is exposed to loud noise, dust, fumes and/or toxic chemicals
 - Works near moving, mechanical parts and lift truck traffic
 - Must be able to move up to 55 lbs
- * Must be able to sit and/or stand for long periods of time. Ability to stand and walk over rough terrain in a predominantly outdoor environment. Requires frequent and repetitive bending.
