

Connected seamlessly under one roof to the rest of the community, you're never too far from the abundant amenities, convenient services and vast programming opportunities that make Friendship Village one of the most sought-after places to live. Plus, you're surrounded by wonderful friends and neighbors who share your passions and interests.

When it comes to how you live, that's up to you. Each of our 170 apartment homes comes with nine-foot ceilings, large windows, beautiful finishes and contemporary kitchens equipped with modern appliances including refrigerators, dishwashers, microwaves and washers/dryers.

As an added bonus, many of the floor plans boast special features including lakefront terraces, bay windows and balconies. Some offer breathtaking views of the gardens, ponds or even the downtown Chicago skyline.

Not only is Bridgewater Place a beautiful place to live, it comes complete with access to Friendship Village's continuum of care and lifetime plan for care. It's our promise to help you get set for a more secure future.
