

Join us for a FREE web series hosted by South Shore Habitat for Humanity in honor of National Homeownership Month.

We'll celebrate the benefits that homeownership brings families, neighborhoods and communities. This series will provide helpful tips to new and longtime homeowners about how to make your home safe, efficient and healthy.

- Each segment will include a panel of experts who will share their knowledge (for about 20 minutes) and participants will have the opportunity to ask questions.
- All are welcome to participate in one or all of the series.

Wednesday, June 2, 6:30 pm

HOME BUYING 101: WHO, WHAT, HOW & WHY

Panelists

About South Shore Habitat for Humanity – South Shore Habitat for Humanity is a 501(c)(3) non-profit organization dedicated to delivering simple, healthy, affordable homes in partnership with families in need. Since our founding in 1986, SSHH has completed 62 homes in 21 communities, helping more than 100 adults and 200 children.

Our mission is to help individuals and families build and purchase a home of their own. We work in partnership with these families to provide stability through homeownership. With an affordable mortgage, at or below 30% of their annual income, Habitat families can save more, invest in education, and have more financial stability. We are the only developer of affordable housing that is able to provide a 30-year affordable mortgage, as well as the ability to keep the housing inventory affordable in perpetuity. SSHH does business in accordance with Federal and Massachusetts Fair Lending Laws. For more information, visit sshahabitat.org
