Dear Valued Producer:

Beginning on June 29, 2020, AIG will be notifying certain qualified contract owners over the course of a number of weeks about provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act that impact them. You are the agent of record for a number of clients who will receive the communication.

An important message
regarding your account
and the CARES Act.

Recipients of the [postcard](#) will be those contract owners who are on a systematic Required Minimum Distribution (RMD) program and who are receiving systematic withdrawals to satisfy their RMD obligation. We will be advising these clients that under the CARES Act, which was effective on March 27, 2020, they may elect to suspend or reduce their withdrawals for this year. **If they wish to receive their scheduled RMD as a distribution for 2020, no action is required of them.**

We appreciate your business. Please do not hesitate to [contact us](#) if you have questions.

For financial professional use only. Not to be used with the public.
