

## Junior Designer

London / Seattle / Singapore

### **About MomentumABM.**

MomentumABM is an account-based marketing consultancy. We help global B2B organisations transform how their sales and marketing teams grow their biggest customers. Over the last eight years we have become the top destination for global organisations with complex offerings across technology, financial services and professional services.

You can expect to work with some of the world's most exciting brands, including Google, Amazon, Adobe, Oracle, and Microsoft. Our clients work in competitive markets and look to us to help them find differentiation - with go-to-market strategies that put customer relationships first through sales and marketing partnership.

Our teams work at the intersection of insight, consultancy, and creative. We bring these disciplines together to help our clients build their businesses. If you're up for a challenge and excited to be part of a new way for sales and marketing to come together, we'll offer everything you need to build and grow your career.

### **Where You Come In.**

As our Junior Designer, you will play a vital role delivering a key offering for our clients. Reporting to the Creative Director, you will be responsible for the design and execution of innovative presentation documents and other marketing assets. You're able to work to tight deadlines and communicate effectively to internal stakeholders on the progress of your work. You will be comfortable working on master templates, designing and redesigning slides, adding animation and creating infographics. Your PowerPoint and Adobe CC proficiency is exceptional, with good experience in InDesign, Photoshop and Illustrator. You will also be confident in creating inspiring presentations and will work efficiently within brand guidelines with great accuracy and speed.

## **Key Responsibilities & Skills**

- Designing and executing presentation decks for multiple clients
- Knowledge in PowerPoint / advanced technical skills
- Proficient with Adobe CC on a Mac
- Formal qualification in graphic design or otherwise relevant discipline
- An eye for detail and high accuracy even whilst under pressure
- Strong layout, digital design, colour and typography skills
- Ability to work in a fast-paced environment on multiple presentations
- Willing to support team across other design pieces other than presentation
- Highly organised and able to assist with determining project scope
- Creative thinking and strong visual sense
- Strong written grammar
