

THE OPPORTUNITY: EMOTIONAL MARKETPLACE

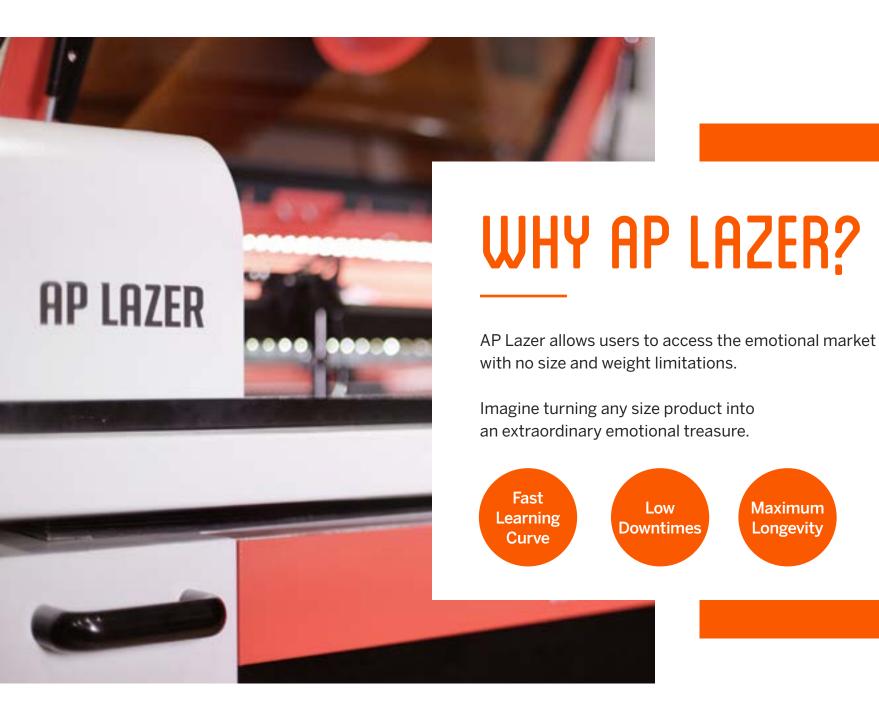

SELF-ACTUALIZATION Maslow's Hierarchy of Needs Desire to become the most that one can be Can people buy happiness? **ESTEEM** Top companies, like Coca-Cola, invest billions in emotional marketing to give this impression. Respect, self-esteem, status, recognition, But what if you could create products strength, freedom that brought joy without the ads? LOVE & BELONGING You would find yourself generating a higher profit margin than Coca-Cola. friendship, intimacy, family, connection According to the famous psychologist SAFETY NEEDS Abraham Maslow, physical needs are on the bottom tier of the Security, employment, "Hierarchy of Needs". Once these health, property physical needs are met, emotional needs take precedence. In the modern era physical needs are easily met and emotional needs air, water, food. shelter, sleep, clothing have taken the forefront.

High Detailed Engraving

Minimal Clean-up

Removable Base for Large Objects

Speedy, Precise Cuts

Complete Business Solution

Our price includes everything you need to grow your business: the utility carriage, lift cart, rotary table, laptop & design software, air assist and exhaust blower.

THE DIFFERENCE LIES IN OUR PATENTED DESIGN

ONE MACHINE. MULTIPLE CONFIGURATIONS. ENDLESS POSSIBILITIES.

With our standard configuration you can cut and engrave trophies, signs, gifts, and jewelry, much like a traditional enclosed laser machine.

Our open-architecture allows you to cut and engrave bulky objects such as furniture, windows, large signs, and wine barrels; freeing you from the limitations of an enclosed machine.

An AP Lazer can be integrated with an assembly line workflow using conveyor belts, lifting equipment, robotics, and other machining tools.

Engraving flooring has never been easier with AP Lazer's precision low rider carriage cart. You can now laser engrave marble, hardwood, granite, and even cement floors with high-resolution graphics and photos.

LARGE OBJECTS

LESS COMPETITION

LARGER ENGRAVINGS = LARGER PROFIT

Large object engraving generates more word of mouth advertising and more importantly, a higher customer satisfation rate.
