

1 MONTH ACT STUDY SCHEDULE

This 1-month study schedule is based on Olive Book’s ACT course. You can enroll in the course at www.olive-book.com.

The 1-month schedule outlines 4 weeks of ACT practice to prepare you for your first ACT test, which you will take at the end of week 4. The far right column, labeled “Practice,” contains the practice you’re to complete by the end of each week.

You can find section-specific study guides in the Test Tips & Strategies section of the course. Consider printing out these study guides and keeping them on hand as you study to ensure that, as you practice, you’re understanding the topics you’ll see on the test. Even more tips and strategies are available on Olive Book’s [blog](#).
