FIRST MEDIA DESIGN SCHOOL

My sister said she wanted to be a model.
I told her it would take 20 minutes in Photoshop minimum

ADOBE PHOTOSHOP

Awaken your senses with Adobe Photoshop!

Touch up the edges and adjust the colour tones, strike a balance between harmony and contrast, and you shall see your images beautifully transformed! Different compositions and word fonts bring out distinctive moods, so be ready to watch how the atmosphere changes as you experiment with all these Photoshop tools!
