

# Stop overpaying for your prescriptions

## Introducing Rx Savings Solutions.

A new way to help lower your prescription drug costs.

### How it Works

- 1 Rx Savings Solutions uses software connected to your health plan.** It looks at the medications you take and finds options that may save you money.
- 2 Your online account shows which lower-cost prescriptions are available and lets you compare prices.** It also automatically lists any medications you've filled so everything's in one place. It's like having your own personal pharmacist right at your side.
- 3 Rx Savings Solutions will contact you anytime you're spending too much on prescriptions** you're currently taking or new ones you're prescribed in the future.
- 4 Switching to a more affordable prescription is easy.** Rx Savings Solutions will consult with your doctor to get their approval on any changes and take care of all the other details—no effort required from you.

**Activate your account now to pay less for prescriptions.**
