

How Home Chef Used Hunt Club to Enhance its Supply Chain Team

About Home Chef

Home Chef is a \$700M meal kit delivery provider, recently honored by Entrepreneur Magazine as one of the Best Entrepreneurial Companies in America. In 2020, Home Chef delivered over 10 million meals and expanded their delivery to cover 97% of the U.S. population.

Home Chef's Goal

Home Chef wanted to hire an Operations Technology Product Manager to enhance the business' technical capabilities, processes, and operations throughout the supply chain function.

Hunt Club's Solution

To find the perfect fit, Hunt Club activated the Expert network to source strategic-minded candidates with experience in operational technology management and software development, including top-tier CTOs, CIOs, supply chain leaders, and strategy consultants

After only 5 days on the search, 4 candidates were presented to Home Chef for in-person interviews and the best fit was hired!

Hunt Club's Expert network and proprietary technology provides efficient and effective sourcing and an additional layer of trusted references that makes working with speed **and** quality possible.
