

X **Wolves Summit**
hybrid

Transform an in person event to a hybrid event. Provide online one to one networking and agenda with multiple stages.

SEKTOR 3.0 is an initiative that supports digital transformation and the application of new technologies in social impact projects.

Challenge

- Maintain brand position while transforming the event to online
- Onboarding 1000+ attendees
- Online matchmaking
- Provide multistage online platform

Solutions & Results

- Seamless online agenda
- Over 1000 attendees joined
- Networking and match making via Hopin
