ANA MEMBER CLUB

ANA Regular and Club Choice Membership

connects you with more than 300 coin clubs around the world. Your club gets the support it needs to advance the hobby, promote education and further explore the world of money.

The Numismatist —

The hobby's premier monthly magazine is mailed to Regular Club members (\$36 per year for Club Choice members).

Club Directory Listing — ANA clubs are encouraged to list their club information in our online directory to connect with others interested in discovering and exploring the world of money. This platform is an excellent club recruitment tool. The club information will be posted on the ANA website, available to the public at no charge. Add or update your listing at money.org/clubs.

Outreach Package — ANA can provide promotional membership materials for club coin shows at no charge (Club Choice members pay \$20, plus shipping). Requests for outreach packages should be received by our membership department at least 30 days in advance of show dates to guarantee arrival before the coin show opens. Form on website at money.org/clubs.

Club Speaker Certificates — ANA will provide certificates of recognition for educational speakers that present at ANA club events (\$5 per certificate for Club Choice members). Please fill out and submit the Club Speaker Certificate of Appreciation Request Form to the membership department at least 30 days before the award presentation in order to guarantee the arrival date. Form on website at money.org/clubs.

Past Club President Certificate — ANA offers a certificate for clubs to honor the outgoing local ANA club president.

Calendar of Event Listings — Events are posted online only at coin-dealer-directory.money.org/event/all-events and is a free service reserved for ANA member clubs. To have your event featured on money.org, visit the link above and click on "List With Us." All numismatic-related events are welcome.

Midway Bourse Table & Meeting Room at ANA Convention — As space is available at conventions, the ANA can offer table space in the club area and use of a free meeting room (A/V costs are additional). For more information or questions, email convention@money.org.

Club Advertising Reimbursement — ANA will reimburse expenses incurred by Regular Club members to encourage ANA and club membership growth in the amount of \$25 per fiscal year. Reimbursement will only be paid for advertisements soliciting new members. The ad must include the name of the ANA club and the time and place of meetings. Advertisements for local coin shows are not covered under this program. For information, email clubs@money.org.

Outstanding Club Publications

Competition — ANA clubs are encouraged to submit their regularly issued club publications for entry into the annual Outstanding Club Publications Competition. Publications must have been issued on a regular basis monthly, quarterly or otherwise. The competition is divided into four categories: specialty club, regional club, local club and electronic. First place winners will receive a plaque, second and third place winners receive a certificate. The awards are presented at the annual ANA World's Fair of Money®.

Club Event Mailings — ANA can assist you in mailing club event/meeting invitations or flyers for a fee of \$125. For more information or questions, email clubrep@money.org.
