

COINS for As

Earn three or more **As** per marking period in school, and we'll send you a **FREE** collectible coin and a **FREE** one-year membership* to the **American Numismatic Association**, the largest coin collecting club in the world. Earn another free coin with each marking period! Homeschooled students are invited, too!

YOUR FREE ONE-YEAR

"Young Numismatist" membership

(students currently in grades K-12) INCLUDES:

- A digital 12-month subscription to *The Numismatist* magazine, the hobby's premier publication
- Young Numismatist e-newsletter, with updates on young collector projects, events, and activities
- Exciting online auctions just for young collectors (bid with "funny money")
- Access to interactive games, downloadable activities and quizzes for all levels
- Online educational resources such as videos, virtual exhibits, blogs, podcasts, webinars, and tips on how to get started collecting

*The American Numismatic Association is a nonprofit educational organization dedicated to encouraging the study and collection of coins and related items. The free, one-year "Coins for As" digital membership can only be used once and is limited to students K-12. Members will receive their monthly magazine and most correspondence online.

Earn Additional FREE COINS through these programs:

COIN EXPLORERS — For students in grades K-5, we offer The Dollar Project, a way for our young learners to research and get directly involved in relevant topics regarding numismatics, while earning a free U.S. Mint set.

MONEY STUDY BUDDIES — For students in grades 6-8, we offer opportunities to research, study, and participate in the numismatic community. Choosing from a variety of projects, you earn increasingly more valuable coins for your collection.

CURRENCY CONNECTORS — For students in grades 9-12, we offer opportunities for specialization in different numismatic areas. Based on interest, you are able to explore paper money, ancient coins, Early American Copper coins, and/or exonomia to earn items directly related to your research.

BIRTHDAY SURPRISE — Receive a surprise collectible coin on your birthday!

Submit a copy of your report card with three or more **As** at:
