

ClaimRouteSM | A new way to report your roadside auto claim

Alaska National and CopperPoint now offer ClaimRouteSM, an easy, fast and secure way to submit fleet claims. With access to our mobile application, ClaimRouteSM offers customers the convenience and security of roadside claim reporting. It's as easy as snap and submit.

With ClaimRoute policyholders are now able to:

- Report auto accidents 24/7, 365 days a year.
- Easily request and get help right away. In partnership with our preferred roadside support companies.
 - Tow Support: FleetNet (towing partner)
 - Spill Support: Cura (Hazmat spill partner)
 - Accident Claim Support: NavEx (24/7 365)
- File a claim in as little as five minutes.
- Secure access via personalized encrypted link provided by Alaska National Insurance Company.
- Accelerate your claim submission digitally so employees can get back to work.
- Access an accident checklist. It's hard to keep your wits about you at the scene of an accident. Our digital accident checklist will help you collect all the information needed from the scene.

How ClaimRoute Works:

- ✓ Download the ClaimRouteSM app to your mobile phone from Apple and Google Play stores via a secure, encrypted link provided by Alaska National to all policyholders.

- ✓ Request roadside support.
- ✓ File your claim.
- ✓ Take and submit photos.
- ✓ Submit your claim with confidence knowing that Alaska National will handle the rest.
