Things to consider

- Do you have a Learning Management System (LMS) that enables you to easily train and onboard employees?
- Does your LMS contain all of the courses needed to prevent lawsuits, workers' compensation claims and government fines?
- Are your current training methods professionally produced and interactive?

Zywave Learning™ makes it easier than ever for you to provide the training courses you need to promote a safe and compliant workplace.

Zywave Learning is mobile-ready, so learners can complete training courses anytime, anywhere.

- Set up your employees in minutes
- More than 150 training courses available, including sexual harassment prevention and workplace safety courses
- Provide separate courses to employees, managers or other groups you create
- Easy-to-use dashboard allows for simple tracking of employee course completion
- System issues certificates of completion per course for each employee
