

Manufacturing

Manufacturing is at the core of our country's economic success. However, every day employees can suffer from slip and falls to being struck by an object. We need to take care of those employees so that they are able to continue to work.

Our specialized industry expertise and proven track record means that we understand the unique risks and challenges of the manufacturing industry.

- Since 1938, we have been a trusted partner for the manufacturing industry.

When it's time to choose an insurance partner, you can count on our experience and knowledge to bring peace of mind and the protection you need for your manufacturing insurance needs.

Industry Leading Services*

We build relationships and deliver results through our high touch, local service model. We get to know you and the challenges you are facing in the manufacturing industry. When we work together, you're not just a number, you're a valued business partner.

*Available services will depend on your premium size and service needs.
