

Responsive. Resourceful. Respectful.

Founded in 1925, CopperPoint Insurance Companies is a western-based super regional commercial insurance company and a leading provider of workers' compensation and commercial insurance solutions.

With an expanded line of insurance products and a growing 10 state footprint in the western United States, CopperPoint is in a strong position to meet the evolving needs of our brokers, agents and customers.

The CopperPoint Family of Insurance Companies include CopperPoint, Alaska National and PacificComp. All companies are rated A (Excellent) by AM Best.

Our Mission

To Protect & Empower The Conscientious Business Owner

Using a partnership-based approach, Loss Control Consultants engage with customers to tailor and customize resources to improve safety. We focus on service and we deliver based on the needs of the customer.

Collaboration is key to the creation of flexible service plans that are based on our customers' needs and abilities. That way, we provide the correct risk management services, with measurable goals and meaningful outcomes to help our customers control insurance costs.

We provide value-added, customer-focused loss control solutions to our agency partners and their clients.

Safety Scale

The Safety Scale is an important part of creating a safety culture at your organization. The first step is **Understanding** where your organization sits on the Safety Scale, and **Committing** the resources to move forward.

Empowering Policyholders
