Important Update

Dear Valued Partner:

In our ongoing efforts to keep you informed and provide pertinent and timely information on COVID-19, we want to share the latest information on reopening guidance by state and industry.

This includes educational material from OSHA, Cal/OSHA, and CDC, that businesses can leverage as they start to open or are planning to reopen. **We have updated our COVID-19 Resource Center to include this timely information on [Reopening Guidance](#).**

We appreciate your continued partnership as we face the unique challenges of the COVID-19 pandemic. Please reach out if there is anything else we can do to assist you.

Please feel free to share this information within your agency and with our mutually valued policyholders.

Stay safe and well.
