To our Valued Policyholder:

CopperPoint will be transitioning your commercial package insurance policy to Alaska National Insurance Company, a member of the CopperPoint Family of Insurance Companies. For over 30 years Alaska National has been the service leader in commercial insurance.

As part of this process, we are required to send a non-renewal notice for these policies which is enclosed. Please be assured that your coverage will continue uninterrupted through this process as long as premiums are timely paid. While your coverage will continue, there may be some changes to those coverages that you can discuss with your agent. You will receive an Alaska National Insurance Company quote proposal from your agent as soon as your renewal date nears.

The CopperPoint family of companies is committed to our ongoing partnership. We look forward to continuing this relationship.

Thank you for your business.

Sincerely Yours,
