

Dear Business Partner,

I'm excited to share more good news with you. AM Best has announced a Financial Strength Rating (FSR) upgrade to A (Excellent) for the CopperPoint Group, including Pacific Compensation, and affirmed Alaska National's rating as A (Excellent).

Marc Schmittlein
President & CEO

This official recognition of our financial strength and stability is a compelling reflection of our collective performance and success. It also reinforces the excitement we feel in beginning this new chapter in our CopperPoint family journey of becoming the leading super regional commercial insurance company headquartered in the western United States.
