

Dear Valued Agency/Broker Partner,

Investing in employee talent is an important part of the vision and growth strategy for the CopperPoint Family of Insurance Companies. As we continue our growth in the western region, I am pleased to welcome two seasoned insurance executives to our family of companies.

Kathleen Ziegler

Kathleen has joined us in a newly created role as Senior Vice President, Operations.

Kathleen brings nearly 25 years of insurance industry experience with roles at AIG, Zurich and Marsh. She will be responsible for overseeing business operations, procedures and efficiency to support our agency/broker partners. She will also be instrumental in integrating operations and leveraging opportunities to improve the operating platform and our shared services approach.

Senior Vice President,
Operations

Woody Hill

We are also excited to welcome Woody Hill as Vice President, Enterprise Loss Control.

Woody brings over 30 years of workplace safety, health and leadership experience to our loss control services having spent his career in risk management roles at Texas Mutual, Employers, ABD Insurance and Financial Services and Cal/OSHA. He will lead the integration of our enterprise loss control operations into one team that consistently delivers quality loss control service to our policyholders.

Woody Hill 
Vice President,
Enterprise Loss Control

Kathleen and Woody represent the importance of adding great external talent to our growing team. We look forward to leveraging the deep knowledge, strategic expertise and leadership presence they will both bring to support you and your business.

Please join me in welcoming them to the CopperPoint family.

As always, thank you for your business and partnership.

Sincerely,

Marc E. Schmittlein
President and CEO
