# Pottery Porcelain

Inspired by a beautiful pottery collection we discovered in Italy, this new porcelain tile is suitable for interior walls and floors as well as exterior walls and is available in both square and brick formats.

Reminiscent of artisans who work by hand to create authentic and eclectic designs in their rural workshops, the collection features strong shading and tonal variations for a unique finish. Choose from five shades – Kale Green, Khaki Smoke, Natural Cotton, Oatmeal and Ocean Blue – and embrace the irregularities that make Pottery unique.
