The first-year accreditation annual fee plus initial survey fee is due with each accreditation application. Additional fees will apply if special survey requests are made or for those facilities located outside the continental USA. After an application has been submitted and processed, AAAASF will refund 50% of the annual fee and 100% of the survey fee if the facility has not been surveyed. If the facility was surveyed, only 50% of the annual fee will be refunded. If the accreditation process is not completed within one year of the received date, a new application and appropriate fee is required. No refunds will be issued if the application expires. Upon receiving accreditation and once an anniversary date is established, the facility will be invoiced 6 months prior to the anniversary date. Fees must be paid by the due date on the invoice for the accreditation process to begin. Otherwise, late fees will be applied and other penalties will follow.
