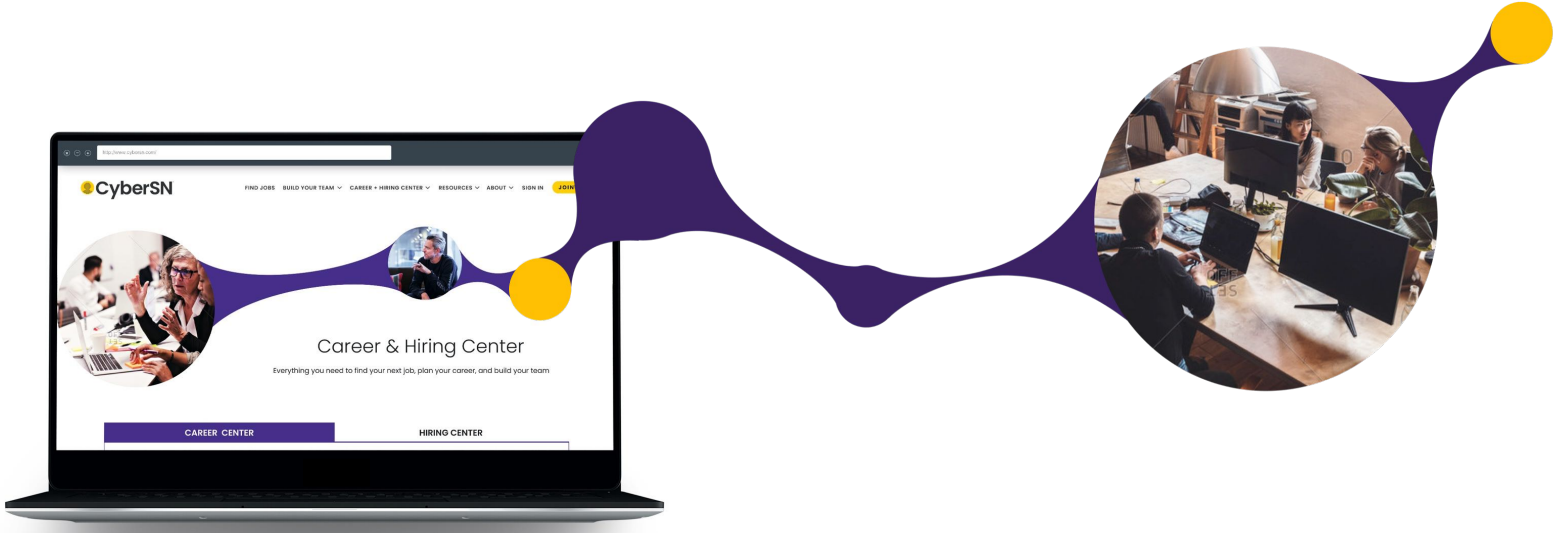
CyberSN

CALLING ON YOUR PARTICIPATION

CAREER MARKETPLACE



“The **CyberSN Career Marketplace** is a free resource for Cybersecurity Professionals to “Pwn Your Career™ “

We provide job matching to all 53k+ Cybersecurity jobs posted in the US, descriptions of the 45 functional roles, career pathing, salary data, certification matching, as well as the ability to search for training, products, services and DEI providers.

As Cybersecurity Professionals we need to come together to support our industry with all resources required to own our careers and collectively achieve success.

With love, Deidre ”

Deidre Diamond, Founder and CEO CyberSN
