Friends Program for Early Adopters

3RD
PHASE
PRE
ORDER

Welcome DOIT friend!

First of all, thanks for your interest in our technology. We are really excited and would love to count with your early support.

Following you will find the details of our collaboration

#letsdoit3D!

What do we expect from your side?

Feedback

We want you to report any flaws, errors or imperfections discovered in any part of the product or other materials. Please understand that **honest, prompt and accurate reporting** is one of the fundamentals purposes of the collaboration and it undertakes to use best efforts to provide **as frequent as possible**, feedback on all aspects of the product both positive and negative and acknowledge that any improvements, modifications, and changes arising from or in connection with this collaboratio to the Product, remain or become the exclusive property of the DOITPLENOPTIC.

What do we expect from your side?

Product awareness

We hope to become a very useful tool to perform scientific and technical works. We truly believe that we can provide 3D microscopy for all. Therefore, we would love to spread the word!

As a DOIT friend we hope you find the technology very useful in your field and application, and we appreciate if you share it with your peers in the scientific community. We want you to become a product ambassador!

Having from your side contributions as social posts, interviews, video testimonials, unboxing, how-to-use, best practices, tips & tricks, or even a scientific paper using our technology would be fantastic!

What do you get in exchange?

Apart from helping us deliver 3D microscopy all over the world, our eternal gratitude and friendship, you will also benefit economically!

Up to a 25% discount!

Benefits scheme

6%

Get this discount as early bird collaborator if you pre-order before the end of march

+
