- Our Privacy Commitment <https://medtechglobal.com/nz/privacy-policy-nz/>

Privacy Policy

- This Privacy Policy sets out how we comply with our privacy obligations to those persons with rights under the Privacy Act 1993 (New Zealand), the Privacy Act 1988 (Australia) or the European Union General Data Protection Regulations for information received through our website and Insight (customer portal).
- We are bound by the requirements of those laws, which regulate how we may collect, store, use and disclose your personal information. Those laws also specify other requirements, such as how individuals may access, correct and delete information held about them.

MEDITECH

International Data Transfers

- When we disclose data, it may be transferred to, and processed in, countries other than New Zealand – such as any other country where our data hosting servers are currently located. There may be differences in those other countries' privacy laws. However, rest assured, where we disclose personal information to a third party in another country, we place safeguards to ensure your personal information is protected.

- <https://imedx.com/au/solutions/technology>
