

**Summer 2021
Curriculum Overview**

STORY

This summer, Eagle Adventure Camps (EAC) starts our journey back at Genesis 1— *in the beginning*. As we open up the pages to the Bible, we find the Greatest Story of all time within and we are eager to share this grand beginning with all of our campers and guests in Summer 2020. By honing in on our original identity, our predicament as sinners, and the great promises that have been granted to mankind from a holy and gracious God, we believe that the Lord has a lot in store for us this summer. There is much to learn, much to celebrate, and much that can change our lives and our perspective of the world.

<p><i>...and He saw that it was very good...</i></p> <p>As God masterfully crafts <i>all</i> things, we see the intricate care He puts into creating mankind. There is nothing between God and man, and this most-prized creation bears His image. This was how it was <i>intended</i> to be. God requires holiness, because He <i>is</i> holy...</p>	<p><i>...and you will be like God...</i></p> <p>The serpent took a beautiful truth and twisted it, tempting Adam & Eve to want more than the bounty they already had. It's the same lie we find ourselves believing even today. This led to a brokenness we still feel everyday of our lives, and see in the world all around us..</p>	<p><i>...all the nations of the earth shall be blessed...</i></p> <p>God's goodness prevails, even in the midst of the darkness and brokkennes of sin. We continue to see His faithfulness throughout the entirety of Scripture. God loved us so much that, despite our sin, His promise to save is fulfilled through Jesus.</p>	<p><i>...my life has been delivered...</i></p> <p>Even as we wrestle with God, rebel against our identity, this image of God that we bear, we see God's persistence in loving us. He beckons us to "strive with [Him]", to tell a better story. Jacob's story shows us how God personalizes His covenant with us .</p>	<p><i>...you meant evil against me, but God meant it for good...</i></p> <p>As we look at the life of Joseph, we see, over and over again, how God is working and bringing about His promises in ways that Joseph never could have imagined. God is faithful to His covenant, despite our limited perspective. Our call is to be faithful.</p>	<p>This is just the beginning of the story and our prayer is that as campers head back home, they would have a better understanding of who God is, and who He is calling them to be. As we proclaim the truth of the gospel of Jesus Christ, we pray it falls upon open ears and hearts— and that the Holy Spirit will radically change lives as a result.</p>
