

- A market order allows you to use time and flexibility to your advantage. By placing a market order, you can set the rate you want to exchange your currency at. If the market hits your desired rate, a trade is automatically booked. Placing and managing market orders is easy, effective and allows you greater control over your currency exchange.
- Select the **Orders** tab to view the drop-down orders menu. From the drop-down menu you can enter a new order, cancel all existing orders, view active orders, see completed orders and view a summary of all previous orders you have placed.

- To enter a new market order, select **Order Entry** from the drop-down.

ORDER ENTRY - STEP 1: REQUEST QUOTE

STEP 1: Request Quote

Type:	<input type="text" value="Limit"/>	Action:	<input type="text" value="Buy"/>
Instrument:	<input type="text" value="-- Instrument --"/>	Amount:	<input type="text" value="Amount"/>
Duration:	<input type="text" value="GTC"/>	<input type="text" value=""/> <input type="text" value=""/>	

- From the order entry screen, you can select to either Buy or Sell, enter the currency pair (instrument) that you want to place the market order for and the amount.
- Once you have selected the action, currency pair and amount, you select the duration of your order, GTC or GTD:

Good to Cancellation (GTC): Market order stays open until the order fills or until you cancel the order manually.

The screenshot shows an order entry form with the following fields:

- Type: Limit
- Action: Buy
- Instrument: -- Instrument --
- Amount: Amount
- Duration: GTC (highlighted with a blue box)

 A red 'Cancel' button is on the left, and a green 'Request Quote' button is on the right.

Good to Date (GTD): Allows you to set a defined date.

The screenshot shows the same order entry form as above, but with the Duration field set to GTD (highlighted with a blue box). A date picker is open, showing a calendar for May 2020. The date 2020-05-29 is selected and highlighted in blue. The time field is set to 17:00 ET. A red 'Cancel' button is on the left, and a green 'Request Quote' button is on the right.

- Once all required information has been input for the market order, select the **Request Quote** button.

ORDER ENTRY - STEP 2: BOOK ORDER

- You will then be prompted to enter the desired order rate in the 'Resting Price' field. **Orders must be a minimum of 15 pips away from the current market rate.** You can either:
 - manually enter the desired rate directly into the 'Resting Price' field.
 - select the down arrow button beside the market rate to have the system populate the nearest available order rate.
