

Partner with TARGIT to build a best-in-class business intelligence practice

“TARGIT’s technology offers customers the critical ability to analyze and compare data from a multitude of resources.”

JOHN BOLLING, SENIOR DIRECTOR OF SALES AT CDK
GLOBAL HEAVY EQUIPMENT

TARGIT is looking for partners who share our passion
for building data-driven organizations, and want to bring the value
of self-service business intelligence and analytics to business users.

WHY PARTNER WITH TARGIT?

*Bring actionable insight to your customers
faster than ever with Best in Class
business intelligence and analytics*

*Strengthen your vertical focus through
customized industry solutions*

*Build revenue with the
Joint Value Creation Program*

TARGIT has a rich partner network, in many industries, with more than 302 partners supporting the TARGIT Decision Suite throughout the world.

TARGIT works closely with our partners to create a valuable network of business intelligence and analytics expertise with one of the market’s leading solutions.

Gain insight into new and emerging trends, access to training, and programs designed specifically for your expertise in your vertical. TARGIT works to increase your sales and your reach.

Our partnership programs are flexible and we work with you to determine the optimal strategy for bringing value to your customers.

A few of the many members of the TARGIT partner program

VERTICAL

Wine Manufacturing & Distribution

Business Impact is a custom consultancy and software company dedicated to helping customers unlock the value in their IT systems. Their business intelligence for wineries provide specific data analyses and reports to drill deeper into brands, location appellation, vintage, and varietals.

VERTICAL

Food & Beverage Manufacturers

WinfoSoft is a Microsoft ERP Gold Certified Partner for Microsoft Dynamics AX and Microsoft CRM. They offer a powerful set of applications and services for food and beverage manufacturers, providing industry experience in the creation of strategic, operational, and tactical dashboards, analyses, and reports.

VERTICAL

Heavy Equipment

CDK Global works with Heavy Equipment dealers – Construction Equipment and Farm Equipment – to create comprehensive Dealer Management Software, Customer Relationship Management (CRM), OEM Communications and Network Services that help dealers optimize their operations. Their BI offers real-time reporting.

THERE'S A FIT FOR EVERYONE

TARGIT RESELLERS

Resell TARGIT software for different verticals, implement solutions, and support customers.

OEM PARTNERS

Embed TARGIT into their own software applications, making analytics easier for their customers.

ALLIANCE PARTNERS

Share TARGIT's passion for business intelligence and recommend solutions to others.

TECH PARTNERS

Provide solutions that complement TARGIT to streamline development and performance.

ABOUT TARGIT

TARGIT is the software company behind TARGIT Decision Suite, the business intelligence and analytics solution for all business users. With an emphasis on people, it is our mission to transform entire organizations by revealing actionable insights for everyone to make better and faster decisions. The unique combination of our patented technology, proven methodology, and dedicated employees and partners is what

enables us to help organizations around the world perform their best. We are recognized as a top player in the industry by Gartner and BARC, and after 30 years in business, we are proud to have almost 500,000 decision-makers wake up to actionable insights from the platform every day. TARGIT gives companies the courage to act. Learn more about us at www.targit.com and follow us on twitter @targit.
