	Choice	Price
	Choice to be entered	TBD

External Area Ceilings

Requested By: Slab

[Edit Master Item](#)[Delete Master Item](#)

To get a clean smooth finish similar to an indoor ceiling Unispan would be the choice although please be aware this is not waterproof so spraying it with a hose is not good.

If you enjoy spraying your outdoor ceilings with the hose consider a Fibre Cement Sheet (FC). Using FC will require timber battens to be placed over the joints which gives a more traditional look.

For the ultimate look consider a timber ceiling. This is also the most expensive

option.

	Choice	Price
#1	Unispan	\$0.00
#2	Fibre Cement Sheet	\$0.00
#3	Timber	TBD

Roof
