# VSS1 Suspension System

## Features:

- Patented design redirects weight of duty belt off hips and lower back, giving the belt a feeling of weightlessness without impacting professional appearance
- Quick-release duty belt clips attach in one step allowing for easy donning, doffing and adjustment while helping to anchor vest carrier
- Replaces the need for belt keepers and accommodates web and leather belts
- Free-floating straps glide inside vest tunnels, allowing wearer full range of motion
- Best results when integrated into Elbeco External Vest Carrier
