All performance calculations by NEPC investment advisor. Returns are preliminary, unaudited and subject to change.

Past results are no guarantee of future performance.

Performance numbers are net of all Fund expenses, including Trustee fees paid by the Fund since inception.

The Fund's investment objective is to provide current income with some potential for growth. It is invested in four different market segments or Foundation Preference Funds (click here) designed to achieve this objective, namely core bond, high yield bond, domestic equity, and international equity.

The current allocation target is 17.5% core bond, 32.5% high yield bond, 27.5% domestic equity, and 22.5% international equity. The allocations may be adjusted from time to time as determined by the Foundation.
