

Why Anedot?

Anedot provides an easy way for your members to give from anywhere and with any payment method, whether that be ACH (e-checks), credit/debit cards, PayPal, or Apple Pay.

Quick set up

Based in the United States, our team has extensive experience servicing large volumes of accounts quickly.

We can even help you launch a beautiful giving page within hours.

Transparent pricing

All of the benefits without set-up or monthly fees.

Simply pay 0.3% + \$0.30 per transaction for ACH (e-checks) and 3.0% + \$0.30 per transaction for other payment methods.

You can give donors the ability to cover the fees.

Free text to give

Every account includes free text to give for churches. Simply have your members text your church's customizable keyword to one of our many phone numbers to donate.

Data security

We believe in data privacy and security. We will never sell or license your data to anyone.

Here to help

We believe in hands-on support. If you need assistance with anything, our ministry success team is here to help.
