

# ENVIRONMENTAL POLICY

---

PBI Height Safety Ltd (PBI) is located in Christchurch, New Zealand but operates Nationally and Internationally. The company is an independent and privately-owned business specialising in the installation and recertification of height safety systems, and the supply of industrial and recreational PPE.

PBI has assessed its environmental impact as very low and as such this policy is appropriate to the nature, scale and environmental impacts of PBIs activities, products and services.

PBI is committed to ensuring that all of its activities are conducted with a high standard of care that involves maximising the reduction of waste and prevention of pollution.

This policy is supported by management and is communicated as appropriately to our employees, all our stakeholders, visitors and people working on our premises and externally to our interested parties.

We aim to reduce our impact in the following ways:

## **COMPLIANCE**

- Meeting compliance requirements with all applicable legislation and regulations that apply to our company
- Adhere to all relevant other requirements including, but not limited to, industry codes of practice, AS/NZ standards or equivalent, and guidelines where applicable

## **WASTE MANAGEMENT AND RECYCLING WASTE**

- We aim to reduce our solid waste by recycling as much as possible

## **ENERGY CONSERVATION**

- Our premises are modern and have up to date energy reducing systems

## **EMISSIONS CONTROL**

- PBI vehicles are serviced regularly to ensure lowest possible emissions

## **ADHERING TO OUR CUSTOMERS ENVIRONMENTAL POLICIES**

- PBI aims to follow our clients own environmental policies where applicable

## **ON-GOING TRAINING AND IMPROVEMENT**

- All PBI employees are trained on environmental awareness and are encouraged to be proactive with reducing the negative impact on the environment

Paul Ivory  
Managing Director
