

# EMD

WATER & WASTEWATER SPECIALISTS

# Engineered Flow Control Solutions

## Flow and Level Control \* Pressure Management \* Surge Mitigation

Electric Actuators  
Manual Gears

Hydro-Pneumatic Tanks  
Surge Vessels

Packaged Water and Wastewater  
Pump Stations  
Water Management Solutions

Ball Valves

Industrial Style Butterfly Valves

Hydraulic Control Valves

Knife Gates, Pinch Valves  
Sluice/Slide/Weir Gates, Radial Gates  
Flap Gates, Overshot Gates & Stop Logs

Ductile Iron Fittings and Pipe  
Sewer Lining System

Rubber Expansion Joints  
Duckbill and Inline Check Valves  
Pipe Penetration Seals

Electric Valve Actuators  
Programmable Valve Controllers

Air Valves, Ball Valves, Butterfly Valves  
Check Valves, Foot Valves, Plug Valves  
Double Offset Butterfly Valves

Knife Gate Valves

### Smart Water IoT

Cellular Remote Monitoring  
Water and Wastewater

Pressure Transient Monitoring  
Triangulation with AI and ML  
Water and Wastewater

Utility Metering Management  
Water
