Why Partner with AnequimSM?

Founded in 2016, Anequim's Remote Professional service (commonly known as VAs) was built built by business owners for business owners. We understand the importance of building your business around solid practices and economical options. We customize your experience because no two needs are alike when it comes to staffing.

How Can a Remote Professional Help Me?

Our candidates can do anything that you need to be done from a computer or telephone.

Administrative

Accounting

Sales

Marketing

Reception

Coordination

AND SO MUCH MORE!

How Do You Find Candidates?

We recruit top talent all over Mexico. Our pre-screening process ensures that you only meet candidates who are not only capable of working from home but have relevant professional experience.

1

STEP ONE

We verify that the applicants have the right equipment and resources.

2

STEP TWO

We administer three different English tests that they must pass to continue.

3

STEP THREE

We check for stability and relevant professional experience.

4

STEP FOUR

We check their references.

5

STEP THREE

The applicant completes a personality survey.

6

STEP SIX

We conduct the first interview.

WHERE DO YOU COME IN?

We have a wide variety of candidates in our talent pool. From entry-level to management and everything in between, we have options! Based on your criteria we select potential matches. You interview the candidates to determine the right fit for you.

Once you have identified the perfect fit, we extend an offer on your behalf.
