

CURBSIDE SOLUTIONS

Creating Convenience for
Contactless Commerce

We know the world has evolved and so have your customers' shopping expectations. Brick and mortar locations are expected to provide quick access to goods and services while providing safe and secure options with less interaction.

Stratus is a brand partner to all major industries. We are experts in guiding your customers to their desired location while displaying visual branding elements, making shopping experiences quick and easy. Whether your customers are prioritizing convenience, health and safety, or both, we are here to create flexible and efficient ways for you to connect with them.
