

Costpoint Payroll Tax powered by GovConPay

Focus Matters

Many Costpoint users want to maintain control and administration of payroll with their internal trusted staff. But as organizations grow, and operations and employees expand to numerous state and local jurisdictions, payroll tax compliance gets complicated, and becomes a time-consuming and burdensome process. Now there is a cost-effective alternative that allows you to access national payroll tax experts.

GovConPay, a subsidiary of Payroll Network that focuses solely on servicing government contractors, has partnered with award-winning Deltek partner **Premier Consulting & Integration, LLC (PCI)**, to deliver an integrated outsource payroll tax solution for Costpoint payroll users.

Through a seamless integration of Costpoint payroll data developed by PCI, GovConPay will provide outsourced payroll tax filing services. Services include:

- ✔ **File and pay**
 - » Federal 941
 - » State and local withholding
 - » Federal and State Unemployment
- ✔ **Impound funds via ACH**
- ✔ **File Annual W2/W3 and 1099(including 1096 recap) reporting**
- ✔ **Produce, package and deliver to employer for distribution W2's and 1099s**
