Delivering Business Continuity
and Peace of Mind

Problems seem to happen when you least expect them.

That's why there's Magaya On Call; a 24/7 service that gives you access to a support specialist who can provide technical assistance, advise, and in many cases, solve your issue on the spot.

Wherever you are, whatever your time zone, a VIP phone number connects you quickly and directly to a live Magaya solution expert. Rely on Magaya On Call to deliver peace of mind so you can concentrate on what's most important...*running your business!*

HOW MAGAYA ON CALL PROTECTS YOUR BUSINESS

Day or Night, 24/7

Now, if an issue occurs after normal support hours, there's no need to worry. Immediate assistance is just a phone call away.

Cost-Effective

An interruption in operations can be costly. But Magaya on Call is an affordable service that can help keep your business running smoothly.

Global Access

It doesn't matter where you're located. Our technical support team is standing by and ready to assist.

Professional Assistance

This is not a call center. You'll receive direct access to our own solution experts and speak with experienced professionals who know the software and understand your business.
