

# SelectCHECK

INDIANA UNIVERSITY

## For Indiana University School of Nursing

**Your Preferred Background Screening Program.** backgroundchecks.com is committed to the highest quality in our multi-jurisdictional criminal convictions database. When combined with a competitive data acquisition department, dedicated to providing the most current data possible, you get a best-in-class multi-jurisdictional criminal convictions database.

### Drug Screening Package

**\$45.00**

#### IU School of Nursing Drug Screening Package:

The package includes a 10 Panel Drug Test which will search for Amphetamines, Cocaine, Marijuana, Opiate, Phencyclidine PCP, Barbiturates, Benzodiazepine, Methadone, Propoxyphene and Methaqualone.

Once your order is placed, you will receive a clinic passport for your drug test via email within 2 business days. This email will be mailed from donotreply@eScreen.com. If you do not receive this email within this time frame (please check junk folder), please call us at (866) 767-1678. You must comply with the test time frame listed on the clinic passport or you will be turned away at the clinic.

**better data, better checks**
