Preferred Background Screening Program

True Value Screening - Option 1 (one name)

\$29.00

Multi-Jurisdictional Criminal Convictions Database (US OneVERIFY)

Includes over 550 million criminal records from counties, departments of corrections (DOC), administrative Office of courts (AOC) and offender registries from all 50 states, plus Washington DC, Guam, and Puerto Rico. Verifies criminal matches directly at the source before reporting them, updating the record to match currently available public records, completing incomplete records, and allowing reporting of records that become legally reportable based only on the updated and complete record.

Name and Address History Report (US OneTRACE)

Runs inquiries against the Social Security Administration (SSA) format information to determine the validity, year and state of issuance, as well as any irregularities that may exist. Provides a name and address trace based on a given SSN.

Employment Verification*

A check of the previous employment verification. Information obtained includes, but is not limited to, dates of employment, job position, and reason for leaving.

County Criminal*

Access to over 3,100 county courthouses in the United States. One of the most powerful sources for uncovering criminal records. County criminal searches will return information from the court in which the conviction is recorded for the past 7 years on the given name.

True Value Screening - Option 1a (All names)

\$36.00

Multi-Jurisdictional Criminal Convictions Database (US OneVERIFY)

Includes over 550 million criminal records from counties, departments of corrections (DOC), administrative Office of courts (AOC) and offender registries from all 50 states, plus Washington DC, Guam, and Puerto Rico. Verifies criminal matches directly at the source before reporting them, updating the record to match currently available public records, completing incomplete records, and allowing reporting of records that become legally reportable based only on the updated and complete record.

Name and Address History Report (US OneTRACE)

Runs inquiries against the Social Security Administration (SSA) format information to determine the validity, year and state of issuance, as well as any irregularities that may exist. Provides a name and address trace based on a given SSN.
